

**Wear pink on February 29th 2012 to symbolize that we as a society will not tolerate bullying... anywhere!**

**Annie's Boutique will once again be donating pink t-shirts to local schools for Pink T-Shirt Day.**

All proceeds from any t-shirts sold will go towards free t-shirts for participating schools. This is a volunteer and sponsor driven project – 100% of all money goes towards t-shirts for the schools – none of it goes to advertising, administration, or any other costs!

**If you want to buy a “Pink T-Shirt Day” T-shirt, please return this form and your payment to Annie’s Boutique no later than February 15.**

Payment can be cash or cheques payable to Annie's Boutique.
