

**Wear pink on February 23th to symbolize that we as a society
will not tolerate bullying... anywhere!**

Annie's Boutique will once again be donating pink t-shirts to local schools for Pink T-Shirt Day. We are going to be making this years event even bigger and better as we have some great sponsors coming on board to help out.

New this year ~ we will also be offering printed shirts for sale! This will enable us to provide more free t-shirts to more schools! All proceeds from any t-shirts sold will go towards free t-shirts for participating schools.

If you want to buy a "Pink T-Shirt Day" t-shirt, please return this form and your payment to Annie's Boutique no later than February 11. Payment can be cash or cheques payable to Annie's Boutique.
